### Why Blount Small Ship Adventures:

Winter, Spring, Summer, or Fall, Blount Small Ship Adventures takes you where the other ships cannot. We offer a full menu of cruise itineraries to top destinations in the US, Canada, and Belize. Our unique small ships take you closer to the sites and sounds you want to experience, from secluded beaches and unspoiled islands, to historic architecture and lush waterways that the big ships simply cannot reach.

- Step directly from ship to shore during a signature bow landing – this can't be missed experience is available on a large number of our cruise itineraries.
- Cruise under the low bridges with our retractable pilot house, invented by our founder, Luther Blount!
- Navigate canals and locks too narrow for bigger ships.
- Extend your stay with our pre and post night packages.

### What's Included:

- Delicious meals prepared by our professional chefs
- Renowned authors, historians, and naturalists enrich the onboard experience
- Recently refurbished ships with private cabins
- Wine tastings, photography workshops, and local music on select departures
- Onboard kayak and bicycle rentals
